

WELLINGTON OF FLOWER MOUND
ARCHITECTURAL CONTROL COMMITTEE
Bulletin #5 – Retaining Walls
August 25, 1995 ~ Revised 2022

- Railroad ties are not permitted.
- Retaining walls visible from the Common Areas and public rights of way shall be constructed of Millsap sandstone or be a Harington 3-pc retaining wall system in a style/color similar to a Millsap sandstone retaining wall.
- New wood timbers and modular concrete products will be permitted in backyard areas not visible from Common Properties and public rights of way.
- For further information on retaining wall requirements refer to Article 9.30 of *The Amended and Restated Master Declaration of Covenants, Conditions and Restrictions for Wellington of Flower Mound*.

RETAINING WALLS
