In order to reserve a Wellington tennis court you must have a tennis user ID and a tennis password. These are not linked to the password you use to log into the Wellington HOA website, so if you have not gotten a tennis user ID since February 26, 2019, when we changed to a new system, you need to email<u>fit</u>-<u>ness@wellingtonhoa.net</u> to get a new one. There is a form on our website at <u>Wellington of Flower Mound</u> <u>HOA - Tennis Login Request Form (wellingtonhoa.net)</u> that you can send in to ask for a tennis login. Also, when logging in please use a newer browser such as Edge and make sure you have cookies enabled. Once you have your new tennis user ID and password go to the main Wellington HOA page and hover your cursor over the menu tab "Amenities." The amenity menu will drop down. Cursor down to Tennis Courts & Reservations, then over to Tennis Court Reservations and click on it.

The Tennis Court Reservations page will open. Move your cursor down to the website address and click it. The website is located at: <u>https://sites.onlinecourtreservations.com?facility=262</u> Once you are there you will see:

Once you have signed in you can save your password and ID so that it opens up without having to log in each time by clicking the Remember me button. You can also change your password to something more secure if you want. If you forget your password you can also ask to reset the password as long as you know your user ID and you have previously logged in so that your email address is already in the tennis reservation system.

If you are logging in on a phone there will be a slight difference in the way the sign-in screen appears. When you access the Tennis Court Reservation page you will see this:
